

# J-BOB

It this a very special new Patented Watertight Knapsack. Useful, practical, handy, pleasant, comfortable, coloured, beautiful, for any use in the sea, in lakes, generally in every water situations. It is perfect at the beach: if you need to protect and shelter your documents, cellular phone, cameras, garments, electronic equipments, keys, cigarettes, etc etc from water. When you are surfing, windsurfing, canoeing, swimming, kite-surfing, on your boat, on your tender to arrive to the coast or your preferred beach, sailing on small boats or on bigger boats.... It's terrific for scuba diving: with international flag signal on the top (optional) it's excellent as a buoy, but inside you can dry store car-keys, glasses, cell phone,..etc,etc,.. and underneath you can hang a net for the fish! For snorkeling it's fantastic: with 18 litres of volume **J-BOB®** is a big buoyancy aid, you can swim many hours without getting tired!!

Yes **J-BOB®** is very high buoyancy reserve. You can play with it in the sea like with a horse shoebuoy or ringbuoy.... **J-BOB®** can be used ALWAYS! It's also possible to use it as a little cooler, putting inside some ice with wine or beer or water bottles and cans to keep them cold for a few hours!!

We studied, designed and tested it in the last three years! We have tested it in all the possible ways and marine conditions: it is ABSOLUTELY WATERTIGHT, safe, useful and comfortable to wear! **J-BOB® THE WATERTIGHT KNAPSACK!!**

## No more water inside!
